Mission

Project Piti Pami (3P) is a 501(c)3 nonprofit organization that exists to promote sustainable healthcare and wellness for the people of Haiti through education, advocacy, and service.

Vision

3P aims to be seen not as leaders of change in Haitian communities, but as partners with Haitian community leaders and citizens in effecting positive, sustainable change.

Message from the CEO & President

To our valued supporters,

The year 2021 saw a shift in our organizations priorities as we adjusted from the fall-out of COVID-19 and the limitations it placed on our ability to be physically present in Haiti. It forced us to ask ourselves, if we could never go back to Haiti, how would that change our work? What would need to happen in order for our work to continue, for us to keep healthcare accessible to our Haitian communities? What presented itself as a devastating question - the thought of never seeing our dear friends and neighbors in person again was truly a painful thing for us to consider - turned out to be remarkably refreshing and grounding. What better opportunity to ensure that our work truly elevates the people of Haiti than being forced to fully remove ourselves from the equation, and in doing so center every aspect of our work entirely around them? As we wrestled with these pivotal questions, we began to experience a shift as an organization, one that we believe will continue to draw us closer together and closer to our vision.

As a result of this shift in perspective, we found ourselves exercising our collective creativity as we ventured into new opportunities to connect with donors and other supporters. We expanded our fundraising efforts in launching the first Hit the Links for Haiti golf scramble, engaging 92 participants and raising over \$8,000. The incredible

“...we managed to raise over \$20,000.00, the most we have EVER raised in a single fiscal year since we were established.”

success of this first event led to our plans to host the second such golf scramble in June of 2022, and we are looking to make this a recurring event each year. We also expanded our connections in our local community here in Michigan, participating in the first "Hub for Haiti" event that allowed us to connect with other local non-profits who provide financial support for communities in Haiti. We are excited at the prospect of partnering with these local organizations in the future for combined fundraising and other partnership opportunities.

Perhaps most encouraging, we managed to raise over \$20,000.00, the most we have EVER raised in a single fiscal year since we were established. In doing so, we were able to continue sponsoring mobile medical clinics and will have the funds to add an ADDITIONAL clinic for 2022, bringing us to a total of 5 clinics and one step closer to full

year-round medical support of the three communities we are currently investing in. We are grateful that in spite of the difficulties we have faced over the past several years, our efforts continue to produce results as we pursue goals of community support over the long-term.

As we reflect on 2021, we remain grateful for the opportunities the year provided us to demonstrate our flexibility and evolution as an organization. As we continue to experience growth and maturation, we find that in spite of it all, our vision itself does not change. Rather, we find ourselves gaining a more complete understanding of what our vision means, and how it is that we are conforming to it. Perhaps most of all, we remain grateful for the everyday individuals who walk alongside us on this journey, for people like you, dear reader, who continue to provide their unwavering support for this cause. It is because of you that our Haitian brothers and sisters continue to have hope, and for that we cannot express our gratitude enough. We look forward to continuing our journey in 2022 with you by our side.

Sincerely,

Jordan Place

CEO & President

Project Piti Pami

What We've Done! 2021 & a look at the past

Completed 3 team-led **trips** to Haiti, bringing over 300 pounds of donations and supplies

Fund **mobile clinics** in 4 partner villages

Funded the production of a **clean-water** system in our partner community Savanette

Developed and presented **women's health** & hygiene seminars to 3 partner communities

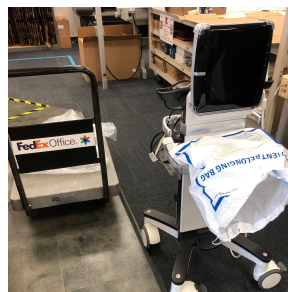

Hosted our very first successful **golf scramble!**

Raised **awareness** at local church & community events

Hosted our first fudge **fundraiser!**

Funded & shipped an **ultrasound** to Haiti

Led three 5K **fundraisers** on SVSU campus

Raised over **\$74,000** since our inception in 2017

2021 Event Spotlight

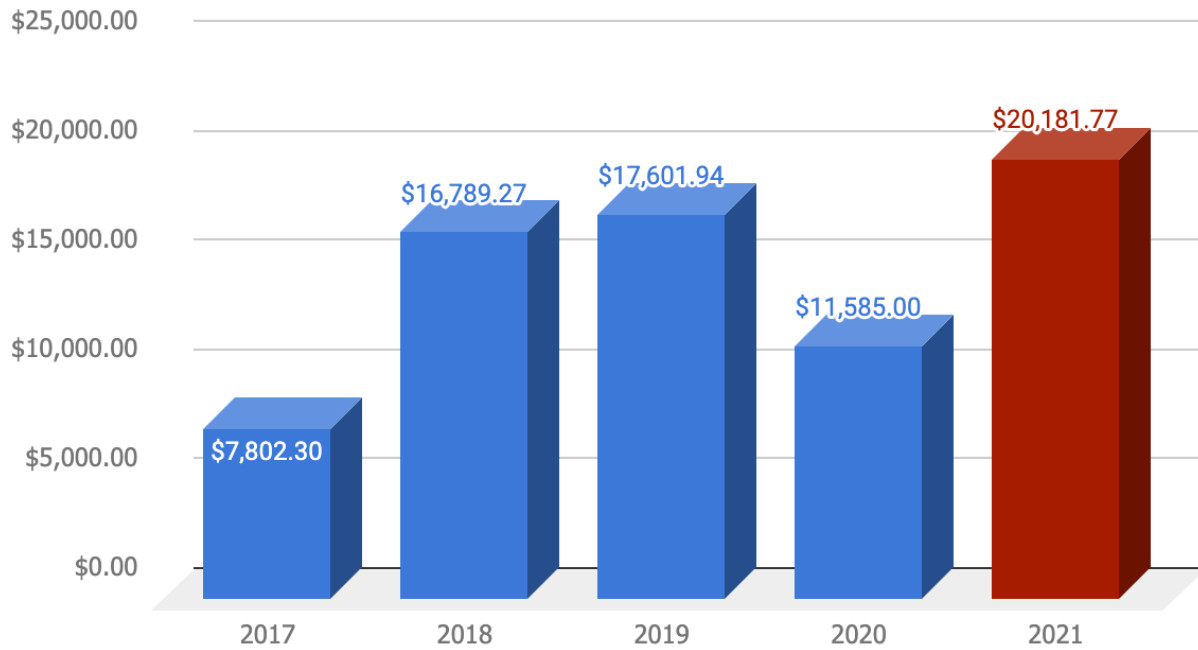

Hit the Links for Haiti! Golf Scramble

June 19, 2021 - **\$8,354.27** raised - 72 participants
Beech Hollow Golf Course in Freeland, MI

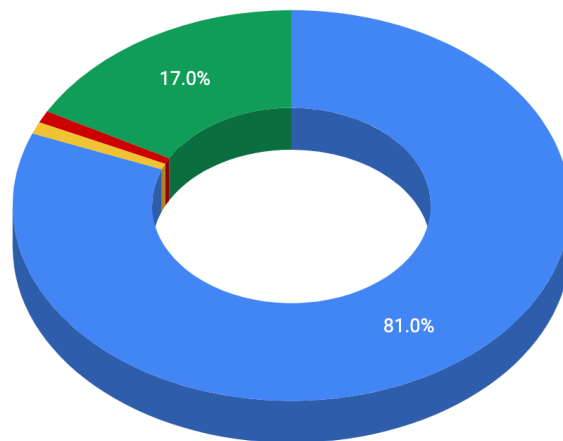

Financial Summary: 2017-2021

Total Annual Donations

Net 2021 Expenditures: \$11,460.00

● Sponsored Clinics ● Community Health Worker ● Internal Costs ● School Nurse Program

Ways to Support

Become an Advocate

Tell people in your community about Haiti!
Host fundraisers, supplies drives in your community.
Help gather supplies:

- Hygiene items
- Medicine
- Recreational items
- Miscellaneous supplies

Go to 3pHaiti.org/supply-requests for the full list.

Become a Volunteer

Do you have skills that could help us?

- Are you a photographer? An event planner?
- A Nurse or Doctor or other health care worker?
- Do you have some expertise in running an organization? Are you eager to get involved in whatever capacity you can?

If any of these things sound like you, becoming a volunteer might be an excellent fit!

Applications are available at 3pHaiti.org/get-involved.

Become a Donor

Because we have specific donors who cover our overhead costs, the funds donated to us are used only for supporting our projects in Haiti. Not a single person in our organization, from volunteer to CEO receives any kind of financial compensation for their work. The costs of our annual trips to Haiti are funded entirely out-of-pocket by the volunteers who attend.

For funds that are donated online through our secure PayPal system, Paypal receives 0.05% as credit card insurance, but the entirety of what remains from your donation makes its way to Haiti

For more information, see our online catalogue at 3pHaiti.org/give, which allows you to donate to something you feel passionate about.
